Methodist News

'Jonah: the musical'

Once again the annual production was a highlight of the Methodist winter programme. During February a team of more than sixty delivered five performances, each one a sell-out. A lot of enjoyment was generated and shared. Some photos from the musical are still on the website: www.audlemmethodistchurch.org.uk .

Lent Course

It's been a pleasure to host the Lent Course again this year. We've also been pleased to join friends from the Baptist Church and from St James at the Lent lunches. We look forward to the ecumenical worship that we'll share during Holy Week.

Anglican-Methodist Covenant

The leaders of our two churches signed the Covenant last autumn. It commits us to ever closer cooperation with each other. The challenge now is to work out exactly what that means for us here in Audlem. We look forward to further conversation and exploration with friends at St James.

Circuit Services

In March the Nantwich Methodist Circuit worshipped together in Nantwich at a service led by the Circuit's children and young people. It was a splendid occasion. We do worship as a Circuit from time to time throughout the year. A future occasion that may be of wider interest to Audlem, and to which all are invited, will be an open-air service on the day after the Audlem Proms in June (27 June at 6.30 pm). Further details in due course.

Additional Services

The worship pattern at the Chapel continues to offer two monthly services in addition to the weekly ones. On the third Sunday morning of the month a quiet, early communion service is held at 8.30 am, and on the last Wednesday a midday service and lunch begins at 12.00 noon.

Choir Sunday

The morning service on 25 April will be largely led by the Choir. This is always an uplifting occasion and an invitation is extended to all. The service will begin at 10.30 am.
