

Possible alteration		Why?	Interest?		
1	Replace external wooden doors with glass doors?	<ul style="list-style-type: none"> to create a more 'open' and welcoming facade, to provide a 'shop window' for publicity and display purposes, to save energy - doors can be closed when we're open. 	1	2	3
2	Add wheelchair access to the main entrance?	<ul style="list-style-type: none"> to allow those in wheelchairs to enter with everyone else, to create for them a safer emergency exit (space for wheelchairs is at the back of the Church, some distance from the present exit). 	1	2	3
3	Create one porch out of the present three?	<ul style="list-style-type: none"> to create a more spacious welcome area, to allow for safer emergency exit (less doors to get through). 	1	2	3
4	Strengthen the porch ceiling and provide proper access to the balcony area?	<ul style="list-style-type: none"> to create a safer environment for those who use the balcony area for Production. 	1	2	3
5	Glaze all or part of the internal porch wall?	<ul style="list-style-type: none"> to allow the church interior to be viewed from outside, to allow anyone in the porch to be part of what's happening in church. 	1	2	3
6	Re-site lighting and sound controls in the balcony?	<ul style="list-style-type: none"> to allow easier operation from one location within the Church, to clear the porch of cables and control units. 	1	2	3
7	Install emergency lighting?	<ul style="list-style-type: none"> to add in the church this safety feature that already exists in the extension. 	1	2	3
8	Strip and treat (or even re-lay) the wooden floor?	<ul style="list-style-type: none"> to maintain the floor's quality and improve its appearance. 	1	2	3
9	Replace present windows with double-glazed alternatives?	<ul style="list-style-type: none"> to save energy through the reduction of heat loss, to eliminate draughts in the winter, to improve ventilation in the summer. 	1	2	3
10	Add black-out facilities to the windows?	<ul style="list-style-type: none"> to increase dramatic and presentational options. 	1	2	3
11	Replace the pews with chairs?	<ul style="list-style-type: none"> to provide greater comfort, to give greater flexibility. 	1	2	3
12	Redesign the pulpit and choir stalls area?	<ul style="list-style-type: none"> to create a more flexible space (Production, drama in worship, concerts etc), to create a safer space, especially when staging is added. 	1	2	3

Express your level of interest in each possible alteration by circling the appropriate number:

1 Definitely interested, well worth pursuing; **2** Fairly interested, happy to hear more; **3** Not interested at all, not worth pursuing.
